

AIHC Affiliate Post-Conference Report Form

The American Interprofessional Health Collaborative transcends boundaries to transform learning, policies, practices, and scholarship toward an improved system of health and wellness for individual patients, communities, and populations. It believes educating those entrusted with the health of individuals, communities, and populations to value and respect each other's unique expertise and skills and to work together is fundamental to care that is effective, safe, of high quality, and efficient in terms of cost, resources, and time.
